

Happy New Year. Wishing you peace*, good health and happiness for 2011.

Summer bookings

K2 is occupied for 3 weeks from Saturday 3rd February; however, there is plenty of room during the off-season. At \$18 a night for members and children it's a bargain – cheapest accommodation rates in the Snowy Mountains and at \$31 a night for guests, you can afford to bring some friends. Your closest friend gets in for only \$24. Call Anne Strange 9969 1435 (evenings) to make your booking. Unlike winter bookings, you don't have to take a whole week.

The Snowy Mountains region has plenty to do. If you go up on our website, check out the Feedback + links page for summer activities and for links.

Kandahar's picnic

Kandahar's picnic was a big success with 50 members enjoying the perfect weather and a great view over Pittwater. Wonderful catering thanks to Maria Silk Young with help from husband Scott. Thanks to Andrew and Janet Cutler for providing such a lovely venue. The kids had a wonderful time in the water and it was good to catch up with each other and just relax.

Vale

We were sorry to learn that Don Kraefft died last November after a long illness. Our condolences to Margery, Anne, John, Hugh and their families. Don joined Kandahar when K2 lodge was built and served on the Board. A keen skier himself, his enthusiasm for skiing continues with his children and grandchildren.

2010 Ski Comp

Overleaf there are some great shots of Kandahar kids competing in the 2010 Interschools Competition. Next year I'd like to get hold of more photos and publish them before the snow has melted. We have some champions amongst us, including 17 year old Ysabel Liley who successfully defended her title, beating everyone, including the boys. Congratulations to Maddy and Steph Duncan, Maddy and Steph Dahan, Phoebe Cutler, Sam MacDonald – and to all participants.

New year

Hope you can get down to Kandahar over the summer and walk off all the post-Christmas cheer. Next newsletter is out in February with booking sheet and subscriptions due. No more building levy – it's built, we're done. Go and see our new K2 if you didn't get a chance to over the winter. All the best,

Lisa
